WHAT'S NEW AT MASTERLUBE?

Anniversaries, Grad Day and a Baby - Oh My!

Congratulations to Brandy, Travis, Zach, Jerry and Virgil (Pictured L to R below) on their anniversaries! Thank you all for a job well done!

Tristina from the Downtown MasterLube welcomed baby girl Charlee Mai - congrats!

The 2014 Grad Day was a big success! The students and parents worked very hard to raise funds for each school's non-alcohol after-graduation party. Photos and videos from their fund raising efforts are on masterlubegradday.com and we will have photos and videos from their parties coming soon. Congratulations to all the graduates!

Congratulations to Nicolette Wallman and Karsyn Smith from Skyview High for winning this year's War of the Walls mural competition!

Voting was held on MasterLube's Facebook page for about ten days in early May. Skyview took the prize with a 1.4% margin of victory, edging out Senior High and Billings Central in 2nd and 3rd place respectively. Nicolette and Karsyn were awarded a traveling trophy and bragging rights for the year.

Both ladies intend to pursue art as a career. In the fall, they both plan to attend the University of Wisconsin - Green Bay and study for art degrees. Karsyn wants to work in the field of concept art upon graduation.

2014 marks the third time in the past 6 years that Skyview has won the War of the Walls contest - winning in 2009 and 2012 also. Billings Senior won in 2010, West in 2011 and Laurel in 2013.

CRUISE ON OVER TO THE YAM

Art Museum Celebrates Anniversary with Car Show

Fifty years ago, the Yellowstone Art Museum opened its doors in beautiful downtown Billings. One of the many ways they plan to celebrate this milestone is by holding a Vintage Vehicle Show on June 28. Admission is free and vehicles on display can be anything from muscle cars to buggies and everything in between. Event organizers are giving special attention to vehicles from 1964 - the year the YAM was founded.

This special outdoor event is located directly behind the museum (near the YAM's "Vault") and features the vehicles on display, food, a beer garden, and free admission to the museum during the show.

MasterLube is the title sponsor for this family friendly event, so be sure to come out and enjoy some sweet cars and fun in the sun!

For more information, visit www.artmuseum.org or email events@artmuseum.org.
