

WHAT'S NEW AT MASTERLUBE?

Glass Training & Grad Day

Grad Day 2015 was a huge success! The schools raised over \$58,000 for their all-night, alcohol- and drug-free graduation celebrations. MasterLube serviced over 800 cars and despite the iffy weather, the student's car washes and BBQs were busy all day. A big thank you goes out to the parent organizing committee and the crew at MasterLube! Without all your hard work, none of this would be possible!

Also, Dan at the Glass Doctor held a nice training session for staff to learn how to use our new rock chip repair machines. It was an early morning for everyone, but lots of great information was shared. Great job Dan!

Top, L to R: Koryn, Shaun, and Brett celebrated anniversaries in May. Downtown manager Brandy celebrates in June. | Glass Doctor Dan shows King manager, Adrian, the new rock chip machines while Rob looks on. | Travis, Mike, and Zach also celebrate anniversaries this month. | Doctor Dan watches Cassie try her hand at the new machine.
